

Family Talk – Warfare

READ TOGETHER

2 Corinthians 10:3

1. What war in front of us can we fight by being more like Jesus?
2. How can we inspire others to be like Jesus?

LIVE IT

Are we mean like the world? Maybe we don't wage war physically, but we can hurt others with our words. Sometimes we can help the world wage war by sitting on the sidelines, not doing anything.

Years ago, a young child felt like the world was against him. But he recalled wherever he lived, people defended him and his family. These were people who had encountered Christ. They didn't call themselves Christians, but he called them Christians because of their actions, generosity, invitations, prayers and encouragement. They didn't fight like the world but instead went beyond the world and brought his family to Jesus Christ.

LEAN ON GOD

Father,

We love you. Please help us to be different.

In Jesus Name,

Amen
