

## Family Talk–Relationship

### READ TOGETHER

---

#### Luke 10:38-42

Are you a Martha or a Mary?

Often we can work so hard to be a great follower of Christ we don't set aside time to spend with Him. Then when we do have time with Him, sometimes we do all the talking and not so much listening.

### LIVE IT

---

In this story it's easy to identify with both Mary and Martha because some of us find satisfaction thinking that we are building a relationship with Christ by praying, studying, serving or evangelizing. But in our hearts do we pray to hear His direction? In our studying, are we getting to know our master or just gaining knowledge? In our serving, are we doing it for the satisfaction of being a good person or because Jesus is directing it?

Now is a great time to experience God more and differently than you ever have. When you pray, hear Him speak. When you study, see His steps. When you serve, see His hands, and when you share, see His favor.

### LEAN ON GOD

---

Dear God,

Please let me see more of You in everything. Fuel my desire to build a relationship with You everyday. Allow me to share Your light.

In Jesus Name,

Amen
