

Family Talk – *Persuasion of Faith: Moses*

READ TOGETHER

Hebrews 11:23–28

1. What stands out to you from these verses?
2. What does faith mean to you and your family?

LIVE IT

It's easy to say, *Yes, I have faith*, but are you living by faith in every situation? Moses was willing to do whatever God told him to do. One time, in a moment of doubt, he asked God to use someone else (**Exodus 4:11-13**). Maybe Moses didn't believe in himself, but God believed in him.

Do you have so much faith in God that you're willing to do whatever He asks, no matter what? As a family, take turns sharing the obstacles that could stop you from doing God's will. Think of ways you can support each other in overcoming these obstacles.

LEAN ON GOD

Dear God,

Thank you for today. I pray that we're tested in our faith, so it grows stronger. Help us remember that You're with us through our trials, and You're in control of everything, so we have nothing to fear. You are our Father, who wants us to gain wisdom and mature in our faith every day.

Amen.
