

**Family Talk – Wonderful Counselor**

**READ TOGETHER**

**Isaiah 9:2-7**

1. Are you someone who was walking in darkness and has seen a great light (Isaiah 9:2)?
2. Do you know Jesus as Wonderful Counselor?

When we think of a counselor, it's typically someone who will listen to us confess the worst parts of our lives without judging us and someone we respect, trust and admire for their expertise. Maybe it's someone who's traveled a journey similar to ours, so they understand what we're going through and can show love and speak the truth into our lives. Our Wonderful Counselor knows us better than anyone else, and still, He chooses to love us.

**LIVE IT**

---

Pretend that you're seated across from Jesus, even though He's always with us, but pretend anyway. Imagine you see Him clearly, and you're sharing one of your favorite snacks.

What would you say? Would you weep? Would you even catch your breath? Remember HE knows YOU! Look into His eyes. Talk to Him and tell Him you love Him. Listen to what He's trying to say to you. Then, do what He's asking only you to do.

**LEAN ON GOD**

---

Jesus,

Thank You for being our Wonderful Counselor and so much more.

In Your name we pray,

Amen
