These things I have spoken to you, that My joy may be in you, and that your joy may be full.

John 15:12 (NLT)

1. What did you learn from the *Life of Jesus* series?
2. What are some ways you can thank God for what He showed you while you studied the life of Jesus?

LIVE IT

As we close our series on the *Life of Jesus*, take time as a family to reflect and celebrate what you've learned and gained. Ask your children what some of their favorite stories of Jesus were and what they learned from reading or listening about His life.

Pray together thanking God for what He showed and taught your family during the series.

LEAN ON GOD

Dear God,

Thank You for giving us a year to walk through Your Word and learn about Your Son. We are thankful for [name some specific things here] that You gave us the opportunity to experience with You.

Help and guide us as we share Your story with those who You bring to us.

We love You.

Amen.
