LIVE IT

The world is a broken place. Everyday someone experiences pain, suffering and violence. A lot of it happens around us, and we don't even know it. Our world needs hope.

Thankfully, Jesus Christ is the source of hope! He died on the cross to save us from our sins, so we can be adopted into God's family. That's the Good News! God wants to use us to share His News. God wants us to be part of the hope and healing He is doing in the world. Who are the people in your life who need to hear about the hope we have in God?

LEAN ON GOD

Dear God,

Thank You for sending Jesus to be our source of hope. Use us to share the Good News, and help others know You, so they can develop a personal relationship with You!

Amen.
