

Family Talk – The Life of Jesus

READ TOGETHER

[Matthew 1:18-24](#)

1. In verse 20, it says Joseph “considered these things”.
What do you think Joseph felt and thought as he realized he was involved in God’s big plan?
2. God spoke to the very thing Joseph was worried about.
How can we take time to listen for God when we are worried?
3. Verse 24, says that “When Joseph got up from sleeping, he did as the Lord’s angel had commanded him”. (HCSB)
Why do you think he obeyed so fast?

LIVE IT

Worry is a real feeling and it can overwhelm us.

Read Philippians 4:6-7 as a family and talk to God together about what’s worrying you. Thank Him for all He has done.

LEAN ON GOD

Dear God,

Thank You that You don’t want us to live with worry and fear. Thank you for speaking to your servant Joseph and for speaking to us. Help us recognize that you supply us with what we need when we face hard stuff.

We love You.

Amen.
