

## Family Talk – The Life of Jesus

### READ TOGETHER

---

[Luke 19:28–44](#)

1. Why did the crowds praise God? (v. 37)
2. Why did Jesus weep over the city? (v.41)

### LIVE IT

---

It seems the people were excited about Jesus, but were they? The text says that they were excited for His miracles and were expecting His rise to power. It appears they either didn't understand Jesus' mission, or they selfishly wanted it to be different.

In our lives do we consider God's plan as the most important plan?

Ask this question to your family: How can we begin to learn what God wants for our family, rather than what we want?

### LEAN ON GOD

---

Dear God,

Thank You for fulfilling Your mission to save us. God help us to be mindful of Your plan first and to clearly hear what You want from our family. We want to glorify You.

God give us tasks for Your Kingdom that we can complete together. We love You!

Amen.
